**Creative Director: Jayce Bordelon**
**Meeting notes:**
- Website about bears
- 1 page, multiple layers
- Natural looking
- Section 1: what is a bear
- Section 2:
- Images with a raw, natural feel, in their natural habitat
- Color pallet- greens and browns

**Going forward:**
I am going to get started by creating the website with functionality in mind. I want to make the sections and make sure it accomplishes everything that Jayce wants it to. Then I want to go in with styling, adding the nature element and photos.
